## Directions by road from A12 (Chelmsford) and M25, Junction 28

This is the best route if you are coming from either the A12 from Chelmsford etc, or the M25 clockwise ( i.e. from the M1, A1, A10, M11 etc ):

1. If you are travelling on the A12 from Chelmsford direction, pass under the split-level interchange of Junction 28 of the M25, keeping on the A12. If you are travelling clockwise on the M25 ( from M1, A1, A10, M11 etc ) leave the M25 at junction 28, taking the third exit onto the A12, signposted London E & C and Romford
2. At the 2nd set of traffic lights ( about 1.1 miles ) turn left into **Gubbins Lane** ( signposted Harold Wood Station )
3. Follow Gubbins Lane past Harold Wood Station for half a mile until you reach a mini roundabout; turn right (3<sup>rd</sup> exit) into **Squirrels Heath Road**
4. In half a mile you will come to some traffic lights (large crossroads with A127, KwikFit opposite); go straight over into **Ardleigh Green Road**
5. After approximately 150 yards, turn first right into **Ardleigh Close**
6. After 50 yards turn second left into **Hillman Close** (Stafford Industrial Estate). Follow the road round to the right - we are the last unit on the left (past CEF and Plumb Centre)
